

LOVE TO COMPETE 2009

3RD ANNUAL 3V3 SOCCER TOURNAMENT

Dear Coach,

On behalf of the Peter French Memorial Foundation, I cordially invite you to enter your team in Love To ComPete 2009, the 3rd annual 3v3 soccer tournament in Winchester, Massachusetts!

The tournament will be held the weekend of August 15th and 16th, 2009 at Skillings Field in Winchester. Each age group will play on just 1 day only, making it a one-day event. Competition is open to Male and Female teams in the U10, U12, U14, High School, and Open age groups. Divisions 1 and 2 (based on sufficient number of teams entered) allow for the differences in age and skill level within each age group. Whether premier, club, town, or recreational, this is the perfect chance for all teams to get ready for the upcoming fall season in a low-pressure but competitive and fun environment. As all proceeds from the tournament go to the Peter French Memorial Foundation, it is also a chance to support a great cause.

Peter French was a Winchester native who passed away suddenly 7 years ago from a rare heart condition. A 3-sport captain for Winchester High School, he had recently graduated from Colgate University when he collapsed on the soccer field. Since his passing, his family has created the Foundation to help those in need and to provide medical research in ARVD, the heart condition from which he ultimately died. This tournament, along with providing a fun, competitive, and sportsmanlike soccer tournament for the Greater Boston area, is the main fundraising effort of each year.

In the event's first two years, we have had teams from New Hampshire, Connecticut, and Vermont, as well as all areas of Massachusetts. Many clubs have participated, including Scorpions, Stars of Mass, FC Puma, Sachems FC, Fuller Hamlets SC, SF Vikings, Boston Blast, Delta FC, Nashua World Cup SC, NESS, and Grasshopper FC. For clubs/towns that enter 4 or more teams, we are offering a special \$15 discount! For all the tournament information and registration, visit the tournament website at www.LoveToCompete.com.

3v3 Soccer is the fastest growing form of soccer in the world. It is a fast-paced, high-scoring, exciting game which is great for players of all ages and abilities. It is an excellent developmental tool for both the individual (ball skills, decision-making, transitioning between offense and defense) and the team (combination play, movement off the ball, maintaining team shape and balance). Join in on the fun and be a part of this new revolution in soccer!

I hope that you will consider participating in this year's tournament. Please feel free to contact me with any questions or concerns at Info@LoveToCompete.com.

Sincerely,

Evander French, Jr.
